

Wamberal Express Boardriders

Hey WEB,

What a massive social calendar we've had lately and in between there has been the occasional surf when the swell allows it. The teams challenge was again a great day, WEB 21st was of the hook and the 5th Annual Golf Day is approaching fast!

WEB TEAMS CHALLENGE:

Another awesome day of insults, taunts and mind games. Peck's reef claimed several surfers throughout the day, with Benno "truck driver" Gallen managing to hit it twice, keeping Symo the "Ding King" in business. The victorious team was 'Rocket' Rod Lennon, Brodie Tough, Little Zac Horner, The Ding King & . But the real highlight of the day was the ever-thoughtful deviant mind of Hashy introducing the boys to the art of 'tromboning'. Love ya work Hashy. It's amazing how much research you can do when you're unemployed. Many thanks again to Symo from "The Surfshop" Fountain Plaza for the amount of prizes that were dished out to all the finalists.

WEB 21st:

It's been 2 long years in the planning and finally the night arrived on 28th August. The WEB 21st Birthday celebration was certainly a night to remember and I'm sure there are many people doing just that as we speak, trying to remember the night! What an awesome collection of characters from the rich history of Wamberal to the present. From the inaugural A-Grade winner, to the current champ. From Melbourne and from Brisbane. From stories of the first ever Wambi Barracudas meeting, to footage of our last contest. From a quite beginning at Breakers to debauchery until the sun came up at Adesy's. Yes the WEB 21st had it all!

WEB GOLF DAY 2009:

To keep the ball rolling on the WEB social calendar we want to see all you animals back again at the golf day. The 5th Annual WEB golf day will be held on **Sunday 4th October 2009**.

As per usual the rules will be 4-man ambrose over 9 holes at Royal Terrigal, followed by a presentation of prizes and dinner at **Breakers**. The day concludes as we all settle down to watch the Rugby League Grand Final on the big screen downstairs, share a beer and reminisce about how close we were to a hole in one. Family and friends welcome after golf.

Tee off time will be **1:00pm** but please arrive earlier for Team allocation at **12:00pm**. The day will cost you **\$35**, which includes golf, gift, dinner & presentation of prizes. There is a limit of 60 players for this day so tickets will be sold on a first come, first served basis. No meals will be provided to those that did not play golf. You will have to purchase meals from the bistro.

If you would like to purchase a ticket for the day see Benny Thomas at the September Contest. If you can't make the September comp contact us through the WEB e-mail wambiboardriders@hotmail.com or BT's mobile 0405 410256

So get in quick and let us know if you have a team of 4 or want to join 3 other sick creatures. We need to know whose playing so we can make teams up before the day. We still have a few spots for hole sponsors. The following sponsors have already jumped aboard for the 2009 WEB Golf Day:

The Surf Shop – Fountain
Plaza/Lisarow Plaza

Wamberal Physiotherapy

BITS & PIECES:

- The man formerly known as "The Wave Pig", Lyndsey Clune, has now become "The Media Hog". Clune has been snapped regularly by the Central Coast Express of late. 3 weeks running now! Who knows where he might pop up next.
- There has been several sightings of a largish man tearing apart waves at Nth Wambi lately. He looks suspiciously like an ex-wambi ripper who goes by the name of "Dusty". Watch out A-Grade, the come-back may be arriving soon.
- Rossadingo has fully recovered from the 21st and his toilet is also feeling much better for it!
- Hashy and The Hex have been scoring an epic swell in Bali, leaving James no time to complete his voluntary aid work, conducting the Indonesian brass band trombone section.
- Latte Jase will be conducting coffee tasting tours this week at the ibar every morning from 7.30 – 8am. If you need to impress the ladies by knowing the difference between a macchiato and Chi Latte, why not hook up with Jase this week!
- Scarry has jumped the gun on everyone for Movember this year. However, it has worked in his favour with offers coming in thick and fast to star in several 80's porn re-makes.
- Who is the fat bass player who can't surf????
- Where is Craig Norris???
- Why can't BT go right after Symo repaired his fins???
- When will the ridiculous SUP craze end???
