

Wamberal Express Boardriders

Hey!

Is it just me or have we been enjoying the warmest water and best swells in years. It took a howling westerly to knock the swell down to knee height at the last competition but apart from that there has been a consistent run of clean lines and decent swells. How good is autumn!!

Thanks again to chef Courtney Neville and her team for keeping us all well fed and the drinks cold.

PLEASE!

Please give us a hand packing up at the end of the day. None of us are getting paid to pick up your rubbish and carry it and the rest of the equipment back to the trailer. We know it's a long day but it makes it a lot longer for the organisers if there is only a handful of people at the final hooter. Your offer of assistance at the start and END of next comp is appreciated.

If you have any questions regarding rules and judging please don't hesitate to ask one of the guys running the show on the day.

February Comp

A red tide swamped wambi and left us all itchy but we still managed a full days competition in the 2-3ft close-outs in front of the surfclub. Spurred on by his \$500 novelty 'Jim Beam 2008 Club Champion' cheque, Max Tough went on to take out the A-grade final. That takes Max's prize money earnings for 2009 to \$423,034, the majority of which came from scoring the feature on the Cleopatra down at the Breakers Country Club back in March.

March Comp

The sayonara summer Saturday comp went off with a bang. We had sun, wind, rain and some good lefts and rights out in front once again. Birdie beetle's brother pulled up with his lap pool, enjoyed the surfing on display and then tried to sell us a second hand book or two in the car park. Symo experimented with the drop-in rule. The bastard surfs so good that even when you take half his second best wave he still progresses to the final and wins the bloody thing.

April Comp

In true ANZAC spirit the location of the comp was decided with a game of 2-up. Heads = Nth Wambi Point. Tails = South, very south. WEB went on a little adventure to a hidden wave-magnet, "The HEXbank". Ever since this comp there has not been a wave un-surfed. G. Hall and his cast of intimidating Wambie boys have been keeping the crowd in check. Apparently Rocket Rod and Paddle Parry have found a new way to get every wave possible, SUP boards. Just because you can see the wave before us does not mean it's yours guys.

On a more serious note:

After a disappointing 4th in the Semis, James 'Hashy' Rasmussen announced his retirement from the tour. He and Rasta plan on designing a range of bio-degradable thongs after the tragic loss of Hashy's pink on black Havaiaannnaas. Don't think you will get anything on e-bay for them you thieving thief. Please return them at next comp. An anonymous thong drop at the trailer on competition day will be accepted.
